**Six-figure multi-entrepreneur & former CTSO state president to visit
Atlanta-area schools**

MiQuan Green will address students marking Career Technical Education Month® 2022

SAVANNAH, GA. (Feb. 1, 2022) - Savannah entrepreneur and former FCCLA state president MiQuan Green will travel to Atlanta this Thursday and Friday to speak with students from Clayton and DeKalb County schools. This visit—Green’s first in 2022—will feature messaging related to Career Technical Education (CTE) Month.

On Thursday, Green will address students at Perry Career Academy in Jonesboro before attending Savannah-Chatham Day at the State Capitol. On Friday, Green’s visit will resume at The Art Institute of Atlanta, where he will address students participating in regional culinary competitions. Green’s visit will conclude at Babb Middle School in Forest Park, where he will address students before conducting a “lunch and learn” session with the school’s FCCLA members.

This is the first in a series of several anticipated visits across the nation to share with students the importance of career and technical student organizations (CTSOs) and to encourage them to embrace their power and responsibility as future leaders.
